

Allentown Rescue Mission

Purpose: Rescue, rehabilitation and restoration for people in crisis.

Core Values: Christ-Centered, Compassion, Restoration, Enrichment, Excellence, Leadership

The Mission's programs have a goal of ending homelessness one person at a time; and in some cases, preventing homelessness. The Mission has been helping people make significant, positive changes in their lives for over 100 years. The Mission has program entry points for clients at various levels.

Gateway Center

**Not Just a Bed and a Meal...
A Chance for a Better Life**

Our Gateway Center (emergency shelter) is the most basic of our programs and is often the entry-point into our long-term programs. Gateway Center receives clients, literally, off the street, who have exhausted all support and typically have multiple and long-term problems.
